Docket No. G-046US02PCIT
Serial No. 09/762,311Remarks

A Notice of Allowance dated June 22, 2004 has been received, but the issue fee has not, as yet, been paid. Claims 50, 65, and 74-98 have been allowed in the subject application.

Applicants would like to thank the Examiner for the telephonic conference of September 13, 2004 regarding the subject application. As discussed in the teleconference, the Office Action dated February 9, 2004 indicated that claims 42, 59, and 64 were allowed. However, in their Amendment Under 37 CFR §1.116 dated May 10, 2004, Applicants inadvertently canceled claims 42, 59, and 64, along with other claims. During a telephonic conference with the Examiner of September 13, 2004, the Examiner agreed to permit an amendment after allowance to include claims 42, 59, and 64 (now numbered as claims 99-101 in this Amendment) in the allowed subject matter of this application. Applicants respectfully submit that claims 99-101 presented herein will require no further search or examination on the part of the Examiner in view of their previous indication as being allowable and do not constitute, or raise an issue of, new matter. Applicants respectfully request that the Examiner enter and make of record in the subject application the new claims presented herein.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,
